JUNE
MORE DETAILS IN THE CHAIRMAN'S
LETTER.**

FROM THE CHAIRMAN

Thank you to Chris and Fay for all their work in arranging such a splendid evening on 31 January. A thoroughly enjoyable film (Titfield Thunderbolt) and a lovely buffet supper including food, wine and cider from our friends in Norden.

We are very pleased that such a large group, 17 people, is going to Norden and that hosts have been confirmed for everyone. The twinning committee in Norden is still working on the programme and we will of course circulate it once available. Although everyone is responsible for making their own travel arrangements, please would you nevertheless confirm to Val that you have booked so we have peace of mind that everyone is sorted.

BRADFORD ON AVON TOWN COUNCIL

Please see page 2 for an event that the Town Council will be running on Saturday 8th June

FROM BRADFORD ON AVON TOWN COUNCIL

We're starting to plan an event for Saturday 8 June, the aim of which will be to showcase all the fantastic not-for-profit community groups, clubs and charities open to people in Bradford on Avon.

It will be an opportunity for groups and organisations to promote what they do and connect with potential new members and volunteers.

We'd like the event to be full of fun, activities and demonstrations, for people to get a feel for what's on offer and maybe even try their hand at something new.

The event may be spread across multiple indoor and outdoor venues depending on interest, and the nature of those who'd like to be involved.

The committee would like the German Twinning Association to be involved in this event, but we can't do it on our own - we need help. Please contact Val if you would like to be involved.
