

We believe that through Christ,  
men and women are reconciled with  
God and with each other.

We are one in the Body of Christ.  
We believe that God calls His people  
to seek that unity which is His will.

We will go forward together  
in the power of His Spirit.

We give thanks for the rich variety of our heritage  
and ask that we may be strengthened  
to encourage and support each other  
in our work and service.

We will be true to His Word in truth and love.  
As we grow to value one another's traditions  
may we be forgiven for our divisions in the past  
and find new unity of purpose in the future.

We will give glory to God together  
For Christ breaks down the barriers that come between us.  
Therefore, we the Melksham Family of Churches  
Covenant together:

We will share in our ministry,  
Witness as one in the power of God's love  
And worship in unity and truth.

We pledge ourselves to sustain this Covenant  
and commend it to those who come after us.

We welcome all who wish to join us in love and fellowship.

We promise that we will strive to do together  
those things which we need not do separately.

Holy Spirit of God,  
seal our pledge in the fire of Your love,  
strengthen our resolve to keep this word.  
Through Jesus Christ our Lord. Amen.
