The Rector writes:

The last quarter of the year has dawned. There are many special events coming up during the next three months. First we have our harvest celebrations. As usual, tinned and packet goods will be donated to the Foodbank. Then, on **Sunday 30th October** at 10.30 am, there will be a Benefice Service at Kingston Deverill. I do hope that as many of you as possible will come and join us that day. We shall welcome the **Bishop of Sherborne** to preside and preach as we celebrate All Saints.

In November, there will be an opportunity to remember those who have died this year, or indeed further back, at one of the All Souls' Services in the Benefice. Then we shall keep Remembrance Sunday; look out for details in your magazine. The Sunday after Remembrance is the final Sunday of the church year, when we celebrate Christ the King. That takes us to the final Sunday of November which is Advent Sunday and the beginning of the new church year. December offers a variety of delights leading up to our Christmas celebrations, but more of that later.

Do join us for some of these events. We look forward to welcoming you as we celebrate God's love and presence among us.

So I wish you all a Happy Harvest and reflective remembering in November.

Norma Payne

Harvest Festival Services on Sunday 2nd October

The Harvest Service at 10.30 am at Longbridge will donate all dried goods, tins, packets etc. to Warminster Foodbank.

The Harvest Service at 5.30 pm at Horningsham to be followed by an auction of produce and refreshments, proceeds to the church and Farm Crisis Network.

Christmas cards for the Sudan

I know it seems early to be thinking of Christmas cards, but I have been making them for 9 months! Do please consider buying these recycled cards, only 30p each, how green can you get? Judy Munro and Heather White will be selling the cards in the Deverill churches, for which I am very grateful. May I put in a plea too for those who display their cards using drawing pins, staples or Sellotape, please avoid the main picture, I am completely reliant on the cards you send me to produce next year's supply! Many thanks.

Jane Yates

Dates for Diaries :

Deverills Chamber Choir: Saturday 26th November at Longbridge church, an evening of entertainment and fun, light refreshments.

Albert Lee

Albert Lee, who died on 12th August, was a well-known figure in the Valley and we shall miss his enthusiastic support of many aspects of life in our community. He was an active member of the Upper Deverills Village Hall Committee for many years, and a leading light on the Upper Deverills Parish Council's Traffic Action Group dealing with traffic issues in the valley. Improving the provision of broadband to our villages was a subject close to his heart and he was instrumental in putting together a bid to the Regional Development Agency for funding, albeit unsuccessfully. Albert took a keen interest in environmental affairs and was passionate about the river, which he regularly monitored for the Environment Agency. He loved the valley and was always keen to take part in local events. Many of us from the valley attended his funeral; we shall miss him greatly. Our condolences go to his wife Barbara and son Philip.

Upper Deverills Parish Council

Thank You

Barbara, Philip and Jane Lee would like to express their heartfelt thanks to all their wonderful friends and neighbours for the help and support given to them during Albert's illness and following his death. You all played a part in making what was a very difficult time that much easier to bear. Thank you, also, for all the moving tributes paid to him, whether delivered in person, by letter, telephone or card. We were moved to see so many of you present at his funeral and know that Albert would have been overwhelmed by your kindness and consideration.

Crockfest 2011

Local Residents raised over £600 for Help 4 Heroes

Crockerton residents Graham, Michelle, Nigel, Nikki, Andy and Khwan wish to thank all their friends, neighbours and work colleagues for continuing to support the annual Crockfest end of 'Summer' party this year, we raised £315 which Barclays Bank have matched pound for pound making a £630 donation to H4H.

Kathy Brown, Community Manager for Barclays said, "At Barclays we strive to strengthen local communities in which we live and work by supporting a range of causes from local schools to centres for older people. This is a fantastic example of Barclays staff fundraising with the local community to achieve something which we hope will make a real and lasting difference".

Nature Notes

When I pulled back the curtains first thing this morning, the hills opposite were shrouded in a thin veil of mist; a typical quiet autumn morning. This evening, those same hills are lit up by the lights of farm machinery as they hurry to gather the harvest in before the weather breaks, yet again. Most people that I have spoken to feel that the summer passed much too quickly and autumn has arrived early. I am sure that this is because the summer was very disappointing with very few hot sunny days. Perhaps the autumn will make up for this and we will have an Indian summer.

Our garage is now empty (apart from the harvested onions drying on the floor) and very quiet, the swallows vacated it at the end of August. This was earlier than usual and I think possibly had something to do with the frequent visits by the sparrowhawk. The house martins have almost abandoned their nests, they seem to come back in the evenings to roost but are out during the day. Both swallows and house martins can be seen feeding over the fields and high in the skies, building up fat reserves in readiness for migration. I had a phone call from John Robins on the 6th September to say that his swallows at Manor Farm, Longbridge, had already gone from their nests, once again earlier than normal. He also mentioned that there were lots of wheatears around on his farm. These birds will be passing through, migrating from upland Britain, where they would have bred during the summer, back down to Africa. They are rather smart looking birds, erect in stance and when on the ground tend to repeatedly 'run and stop' until they fly away showing the white rump which is a characteristic helping with identification. In fact the wheatear has a nickname of 'white arse'. I have been noticing and hearing a lot of chiffchaffs on our farm. Some of these may have bred here during the summer, but others will be ones that bred further north and are now making their way south for the winter.

Several bird sounds characterise autumn for me; the melancholy song of the robin, the pee-pee-pee call of long tailed tits, the sad pining call of a young buzzard and the sound of a rookery at dusk. Once the sun has gone down, and especially on a still moonlit night, a big harvest moon, tawny owls calling; we've had a few nights like this recently. Tawny owls set up territories early, breeding early in the new year.

Now the vegetation on the farm is shorter, the grass cut for silage and the barley harvested, it is easier to spot the hares. This morning we had one in the garden; a youngster judging by its size. We have had a weasel in the garden again, lovely to watch so inquisitive and playful, with a beautiful rich red brown coat and white belly. A weasel will kill a rabbit, so maybe it could take a young hare, certainly a leveret. There is still one area of longer grass up on the farm and this morning I spotted a lovely roe buck sitting deep in the greenery enjoying the morning sun. Nearby I thought I could see another set of ears, later I was to discover that there were in fact another three sets of ears in the grass as a doe emerged with her two well grown fawns. Roe deer

Where have you been?

Here are two recommendations from a Parish News reader:

A friend and I have visited Corsham several times, to attend lunchtime recitals at the Pound Arts Centre and afterwards have twice taken ourselves to lunch at **'The Flemish Weaver'**. It is a charming old pub at the lower end of the High Street, opposite the turning up to the Church and Corsham Court. There is, of course, a bar plus three smallish dining areas, so a nice cosy atmosphere in the winter. For warmer days there are a few tables on the pavement and a courtyard behind with lots of flowers in pots to give colour. The menu offers quite a wide choice from substantial snacks to full meals. On our first visit my friend found the Goulash delicious while I enjoyed the Chilli con Carne. Last week she went for a very tasty chicken dish with lots of beautifully cooked vegetables: I tucked into a potato generously filled with cheese and chutney, plus a salad. Wine by the glass is available at reasonable prices. The staff are welcoming and friendly and were quite happy to turn down the piped music which was not to our taste after the classical recital! Highly recommended.

Another pub which I have visited on many occasions is the **'New Inn'** on New Street in Salisbury. Don't be misled by the name - it's very old indeed! Again, there are several small dining areas, making for a pleasant atmosphere and cosy dining; and there is a garden behind for warmer days. As with The Flemish Weaver, the menu offers a choice of full meals or substantial snacks, the staff are friendly and the prices acceptable. New Street is very close to the central shopping area and the Cathedral and is thus conveniently situated both for shopping and sightseeing.

If you have somewhere you would like to recommend or comments to pass on, please send them with suggestions to me by email at farthings.kd@btinternet.com or through my letter box at Farthings, Kingston Deverill.

HAPPY BIRTHDAY

Broadband - Upper Deverills - 5 -

Over the last couple of years the Upper Deverills Parish Council's Broadband Action Group (UDBAG) has been trying to improve the currently poor service that is provided to the three villages. We have secured some minor improvements to the existing network which seems to have improved reliability. But we know from surveys carried out in 2009 and 2010 that speeds remain relatively low and less than a third of residents are happy about this.

In the last eighteen months both national and local government have recognised the importance of providing a modern and faster broadband network. As private companies would not find it profitable to improve the service in areas like ours, some public intervention and funding is necessary. Wiltshire Council is planning to invest £16 million so more residents and businesses can have access to super fast broadband and in May we alerted residents to the survey being carried out by the Council. Our thanks to the many residents that completed the survey. The headline results are now on the Wiltshire Council web site at: <http://www.wiltshire.gov.uk/communityandliving/digitalinclusion/broadbandsurveyresults.htm>

The full report on the Survey should be available in early October. The general results show, unsurprisingly, that many Wiltshire residents feel that they need super fast broadband. This requirement is likely to increase as more services and facilities become available through the web and require greater capacity in the system to be delivered. Parish and Wiltshire Councillors also recognise that provision of this facility may be an important contributor to sustaining villages for the future.

Wiltshire Council has secured £4.66m in government grant towards its proposals and is now gathering information on which parts of the County it will have to use its resources to get super fast broadband provided. It will use a contract framework developed with Broadband Delivery UK to invite bids from contractors next spring. The contract will then run from autumn 2012 with delivery being rolled out over the following couple of years. Work also needs to be undertaken on what broadband speeds can be achieved and what technology will be used in different locations.

We continue to offer Wiltshire Council our interest and support in taking the project forward perhaps by being a pilot for the roll out. We will also continue to monitor developments and keep residents informed.

Sutton Veny Pre-School

www.suttonvenypreschool.co.uk

Having rounded off a very busy summer term with the usual flurry of activities – the annual family picnic at Wilton House, a nursery rhyme themed Sports Day and a 'Wet Play Day' (in the pouring rain!) on the last day of term – the staff and children at Sutton Veny Pre-School were ready to enjoy a relaxing and well deserved summer break. With batteries fully recharged, the Pre-School started a new school year on 1st September and everyone is looking forward to a busy time ahead. The autumn term is always an entertaining time for the children as the changing seasons and our village location provide us with great opportunities for outdoor play as well as an abundance of natural materials for getting creative! This term we will be out and about around Sutton Veny for our annual Blackberry Walk and we are also planning a visit to Shearwater on 14th October for Ted's Big Day Out in support of The RUH's 'space' for Cancer Care Campaign.

The Pre-School will also be holding its first **Open Morning** of the school year on **Tuesday 11th October** 9.00 am to 12.00 noon. The Open Morning provides new parents and their children with an opportunity to visit the Pre-School on a usual day, to meet and talk to the staff and to have fun getting involved with a range of activities. Parents and children are welcome to drop in any time during the morning.

If you have any queries regarding the Pre-School, Open Morning or availability, please contact Mrs Gay Woods (Pre-School Leader) on 840057. You can also visit our website for further information.

Wiltshire Police new non emergency number 101

The 101 number is being introduced in phases. On 19th September it was launched across forces in the South West, including Wiltshire. Although 999 is a well recognised number to report emergencies, the 2010 British Crime Survey found only half the public knew which number to call if they wanted to speak to their local police about policing, non-urgent crime and anti-social behaviour.

Calls to 101 are automatically directed to the nearest police force, so calls from Wiltshire will be answered by Wiltshire Police staff. Calls to 101 cost 15p per call, irrespective of length and applies to landlines and mobile phones. People with hearing or speech impairments can use the non emergency textphone number 18001 101. The 101 number replaces the existing non emergency number 0845 408 7000 for Wiltshire Police. The 101 number should be used for all non emergencies such as: reporting a crime, contacting local officers, getting crime prevention advice, making an appointment with a police officer or making us aware of policing issues in your area. It does not replace 999, which should be used in an
