## Aligning Text

Text entered into the template boxes are automatically aligned to the left. Using the 'div' tag, a piece of web programming language, you can tell the content to act differently.

The tag, including the arrow brackets, needs to be entered at the start of the text you wish to align. The ending tag, along with the arrow brackets and forward slash, need to be inserted at the end of the text.

### **Example:**

To justify your text:

```
<div align="justify"> your text here </div>
```

To centre your text: (note the spelling)

```
<div align="center"> your text here </div>
```

## Spotlight on a Wiltshire Community Web Site

“We are a small club of enthusiastic triathletes from varied backgrounds and age groups actively competing at all levels of fitness in both local and national races who are keen to put ourselves to the test throughout the year competing in Duathlons during the winter and Triathlons during the summer from Novice to Olympic Distance events.

The philosophy of the club is that each member helps the others with their respective weaknesses to make everyone better triathletes. This applies not only to training and techniques but also to kit and equipment. Equipment does not have to be expensive, all you need is:- Swimsuit & Goggles, any roadworthy Bike & Helmet, Running Shoes, Shorts & Vest.

The club is very informal – ***you*** decide how hard and how often you train. We meet for cycling all year round on Sunday mornings at 10.00 am at the Salisbury Leisure Centre – we cycle a variety of routes along the quiet and scenic country lanes in and around Salisbury. Several members of the club pop down to Bournemouth or Sandbanks on a car-share basis for wetsuit training in the sea during the summer – or regular swim training can be taken in the Salisbury Leisure Centre during ‘laned’ public sessions or at coached sessions organised by SwimWise. Some members run in conjunction with the City of Salisbury Athletics Club, whilst others choose to run alone. Because several members work varied hours, it is often possible to organise extra sessions of cycling or running during the week, by mutual agreement.

Your club secretary, Ron Boyes collates race information from various sources, this is available on request but the internet is particularly useful in finding more from the BTA website – ***britishtriathlon.org*** or various other websites.
